

## ROTARY HAMMER spare parts list

| No. | Part Name                                                  | QTY | No. | Part Name                                              | QTY |
|-----|------------------------------------------------------------|-----|-----|--------------------------------------------------------|-----|
| 1   | D19 Roundwire snap rings for shaft                         | 1   | 48  | Framework oil seal $\phi 19 \times \phi 28 \times 4.5$ | 2   |
| 2   | Spacing ring                                               | 1   | 49  | Rang ring of 3 gear                                    | 1   |
| 3   | Slide bushing                                              | 1   | 50  | 6002 Deep groove ball bearing                          | 1   |
| 4   | Slide bushing spring $\phi 27.5 \times \phi 2 \times 51.5$ | 1   | 51  | Washer $\phi 14.5 \times \phi 19.5 \times 0.5$         | 1   |
| 5   | D47 Circlips for holes-type A                              | 3   | 52  | Friction plate washer                                  | 2   |
| 6   | Framework oil seal $\phi 30 \times \phi 47 \times 5$       | 1   | 53  | Friction plate                                         | 2   |
| 7   | Oil seal rang ring                                         | 1   | 54  | Clutch gear (2 gear)                                   | 1   |
| 8   | D30 Circlips for shaft-type A                              | 1   | 55  | Disc spring 16                                         | 1   |
| 9   | Side Handle Hoop                                           | 1   | 56  | Nut                                                    | 1   |
| 10  | D30 Roundwire snap rings for shaft                         | 2   | 57  | Deep groove ball bearing 627                           | 1   |
| 11  | Deep groove ball bearing 61906                             | 2   | 58  | Deep groove ball bearing 6202                          | 1   |
| 12  | O Ring $\phi 20.8 \times 2.1$                              | 2   | 59  | D35 Circlips for holes-type A                          | 1   |
| 13  | S $\phi 7$ Steel ball                                      | 7   | 60  | Crank shaft range ring                                 | 1   |
| 14  | S $\phi 6$ Steel ball                                      | 3   | 61  | Flat key $4 \times 4 \times 12$                        | 1   |
| 15  | Rotary sleeve                                              | 1   | 62  | Crank shaft gear (1 gear)                              | 1   |
| 16  | O Ring $\phi 11 \times \phi 1.9$                           | 2   | 63  | 688 Oil Retaining Bearing                              | 1   |
| 17  | Shock sub                                                  | 1   | 64  | Sealing paper washer of middle cover                   | 1   |
| 18  | Cylinder                                                   | 1   | 65  | Middle cover                                           | 1   |
| 19  | Flat key $3 \times 3 \times 18$                            | 2   | 66  | Oil seal bushing $\phi 10 \times \phi 15 \times 6$     | 1   |
| 20  | Screw 5*30                                                 | 4   | 67  | Framework oil seal $\phi 15 \times \phi 22 \times 5$   | 1   |
| 21  | Front housing                                              | 1   | 68  | Deep groove ball bearing 6000                          | 1   |
| 22  | Washer $\phi 30.5 \times \phi 41 \times 2$                 | 1   | 69  | Armature                                               | 1   |
| 23  | Clutch spring $\phi 36.6 \times 3.4 \times 81$             | 1   | 70  | Deep groove ball bearing 608                           | 1   |
| 24  | Cylinder liner bevel gear (gear 4)                         | 1   | 71  | Wind ring                                              | 1   |
| 25  | Rammer                                                     | 1   | 72  | Screw ST4.2*60                                         | 2   |
| 26  | O Ring $\phi 19 \times \phi 3$                             | 1   | 73  | Field Coil                                             | 1   |
| 27  | O Ring $\phi 19 \times \phi 3.1$                           | 1   | 74  | Housing                                                | 1   |
| 28  | Piston                                                     | 1   | 75  | Screw M5*48                                            | 4   |
| 29  | Piston Pin $6 \times 24.5$                                 | 1   | 76  | Carbon brush                                           | 2   |
| 30  | Connecting rod                                             | 1   | 77  | Brush holder                                           | 2   |
| 31  | Neeble bearing HK0810                                      | 1   | 78  | Flat spiral spring                                     | 2   |
| 32  | Sealing paper washer of front housing                      | 1   | 79  | Screw ST2.9*10                                         | 8   |
| 33  | Reducer box                                                | 1   | 80  | Back cover                                             | 1   |
| 34  | Screw M4*14                                                | 4   | 81  | Screw ST4.2*16                                         | 8   |
| 35  | Decorative cover                                           | 1   | 82  | Screw M6*50                                            | 1   |
| 36  | O Ring $\phi 38 \times \phi 3.1$                           | 1   | 83  | Screw M6*40                                            | 1   |
| 37  | Crank Shaft                                                | 1   | 84  | Right handle                                           | 1   |
| 38  | D12 Circlips for shaft-type A                              | 2   | 85  | Switch                                                 | 1   |
| 39  | Washer $\phi 12.1 \times \phi 16 \times 0.5$               | 1   | 86  | Left Handle                                            | 1   |
| 40  | O Ring $\phi 15 \times \phi 3.3$                           | 1   | 87  | M6 Nut                                                 | 2   |
| 41  | O Ring $\phi 9 \times \phi 1.5$                            | 1   | 88  | Cord Clamp                                             | 1   |
| 42  | Toggle button base                                         | 1   | 89  | Sheath                                                 | 1   |
| 43  | Toggle button                                              | 1   | 90  | Cable plug                                             | 1   |
| 44  | Spring $\phi 3.5 \times \phi 0.5 \times 20.5$              | 1   | 91  | Work carrier                                           | 1   |
| 45  | Toggle button slider                                       | 1   | 92  | Square head bolt M8*50                                 | 1   |
| 46  | Screw M4*10                                                | 3   | 93  | Support                                                | 1   |
| 47  | Bevel Gear Shaft (gear 3)                                  | 1   | 94  | Side handle                                            | 1   |
